

**WAC 110-147-1335 What additional steps must I complete prior to licensing?** (1) You must submit to your licensor a detailed written program description for DLR approval. In the description you must outline:

- (a) Your mission and goals;
- (b) A description of the services you will provide to children and their families;
- (c) Your written policies covering qualifications, duties and on-going training for developing and upgrading staff skills; and
- (d) A description of your agency's policies and procedures.

(2) You must have a site inspection by your DLR licensor or someone designated by DLR who can verify that your Washington state premises have:

- (a) Adequate storage for staff and client files;
- (b) A working telephone;
- (c) Adequate space for privacy when interviewing parents and children;
- (d) Room or area used for administrative purposes;
- (e) Adequate space for visitation, if needed; and
- (f) Your license clearly posted (if inspection is for a renewal license).

(3) You and your staff are required to submit a negative tuberculosis (TB) test or an X-ray, unless you have had a negative TB test in the previous twelve months. If there is a positive TB test, then the individual must submit a physician's statement identifying that there is no active TB or risk of contagion to children in care.

(a) We may grant an exception to the TB test, in consultation with a licensed health care provider.

(b) This exception would require a statement from a licensed health care provider (MD, DO, ND, PA or ARNP) indicating that a valid medical reason exists for not having a TB test.
