

WAC 220-220-150 Oregon license reciprocity. (1) A person may, from a vessel or other floating device, fish for game fish, food fish, unclassified fish, and shellfish, unless otherwise prohibited, from Pacific Ocean waters within three miles of the Washington coast from Leadbetter Point to the Washington-Oregon boundary, and from the concurrent waters of the Columbia River where the river forms the boundary between Oregon and Washington if the person possesses a valid Oregon resident angling license or a valid Oregon resident shellfish license, but only if Oregon recognizes as valid a comparable Washington personal use license in Pacific Ocean waters within three miles of the Oregon coast from the Oregon-Washington boundary to Cape Falcon and the concurrent waters of the Columbia River.

(2) This reciprocity applies only to fishing from a vessel or other floating device. Fishing from the Washington shore requires a Washington personal use license.

(3) This reciprocity applies only to Oregon residents, and residents of other states must possess either a valid Washington license or a valid Oregon license to take game fish, food fish, unclassified fish, and shellfish from the waters of the respective states.

(4) Any game fish, food fish, unclassified fish, or shellfish landed into Washington must conform with current rules in effect for the point of landing including, but not limited to, daily limits, possession limits, annual limits, size restrictions, and sex restrictions.
