

**WAC 260-48-910 Superfecta pools.** (1) The superfecta requires selection of the first four finishers, in their exact order, for a single race.

(2) The net superfecta pool will be distributed to winning wagers in the following precedence, based upon the official order of finish:

(a) As a single price pool to those whose combination finished in correct sequence as the first four betting interests; but if there are no such wagers, then

(b) As a single price pool to those whose combination included, in correct sequence, the first three betting interests; but if there are no such wagers, then

(c) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(d) As a single price pool to those whose combination correctly selected the first-place betting interest only; but if there are no such wagers, then

(e) The entire pool will be refunded on superfecta wagers for that race.

(3) If less than four betting interests finish and the race is declared official, payoffs will be made based upon the order of finish of those betting interests completing the race. The balance of any selection beyond the number of betting interests completing the race will be ignored.

(4) If there is a dead heat for first involving:

(a) Horses representing four or more betting interests, all of the wagering combinations selecting four betting interests which correspond with any of the betting interests involved in the dead heat will share in a profit split.

(b) Horses representing three betting interests, all of the wagering combinations selecting the three dead-heated betting interests, irrespective of order, along with the fourth-place betting interest will share in a profit split.

(c) Horses representing two betting interests, both of the wagering combinations selecting the two dead-heated betting interests, irrespective of order, along with the third-place and fourth-place betting interests will share in a profit split.

(5) If there is a dead heat for second involving:

(a) Horses representing three or more betting interests, all of the wagering combinations correctly selecting the winner combined with any of the three betting interests involved in the dead heat for second will share in a profit split.

(b) Horses representing two betting interests, all of the wagering combinations correctly selecting the winner, the two dead-heated betting interests, irrespective of order, and the fourth-place betting interest will share in a profit split.

(6) If there is a dead heat for third, all wagering combinations correctly selecting the first two finishers, in correct sequence, along with any two of the betting interests involved in the dead heat for third will share in a profit split.

(7) If there is a dead heat for fourth, all wagering combinations correctly selecting the first three finishers, in correct sequence, along with any of the betting interests involved in the dead heat for fourth will share in a profit split.

(8) Superfecta wagering is prohibited on any race in which there is a mutuel field.
