

WAC 296-17A-0606 Classification 0606.

0606-01 Vending, coin-, or token-operated machines: Installation service and/or repair

Applies to establishments engaged in the installation, service and/or repair of vending, coin- or token-operated machines. Operations contemplated by this classification include, but are not limited to, delivering machines to desired location, unloading and setting up machines, servicing machines, collecting money, repairing machines, and restocking product into machines. Coin-operated machines include pay telephone booths, weight machines, juke boxes, change makers, pull tabs, slot machines, and similar gaming devices. Vending machine products include, but are not limited to, soft drinks, candies, sandwiches, stamps, cigarettes, frozen desserts, coffee, and personal hygiene products. This classification also includes the preparation of products such as, but not limited to, salads, sandwiches, cookies, and desserts, and honor snack food services when performed by employees of an employer subject to this classification.

This classification excludes honor snack services operated independently from, and not in connection with, coin-operated vending machine services which are to be reported separately in classification 1101; and the installation of parking meter units which is to be reported separately in classification 0105.

0606-02 Fire extinguisher and fire safety equipment: Sales and service

Applies to establishments engaged in the sales and servicing of fire extinguishers and related safety equipment. Operations contemplated by this classification include, but are not limited to, retail and wholesale store operations, field testing services, recharging services, and related safety training. Establishments subject to this classification routinely sell a variety of home and commercial type fire extinguishers, protective clothing, gloves, and hats, specialty shoes, smoke and fire alarms, and first-aid kits. Fire extinguisher sales and service companies may also carry other safety items such as traffic cones, construction and speed signs.

0606-03 Money collecting service of coin-operated and vending machines

Applies to establishments engaged in the removal and/or replacement of money into coin-operated machines. Operations contemplated by this classification are limited to the collection and replenishing of coins in coin-operated or vending machines. This classification also applies to replenishing currency in automated teller machines (cash machines) and removal of coins from parking meters and pay telephones.

This classification excludes the servicing of machines, placement of products into machines for sale, installation of machines, or any product preparation, which is to be reported separately in the applicable classification; installation of free standing automated teller machines which is to be reported separately in classification 0607; establishments engaged in the construction of structures which house automated teller machines, such as those found in parking lots of shopping centers, which are to be reported separately in the applicable construction classifications.

0606-12 Coin- or token-operated amusement devices in stores or shopping malls, N.O.C.: Installation, removal, service and/or repair

Applies to establishments engaged in the placement and servicing of coin- or token-operated amusement devices, not covered by another classification (N.O.C.), within stores and shopping malls for use by the general public. Operations contemplated by this classification in-

clude, but are not limited to, the installation, service, repair, or removal of the devices, such as, but not limited to, video games, pin-ball machines, carousels and small amusement rides for children. Establishments subject to this classification generally are not involved in the operations of arcades or amusement rides. If an establishment subject to this classification also operates a video or amusement arcade, such operations may be reported separately in classification 6406 provided all the conditions of the general reporting rules covering the operation of a secondary business have been met.
