

**WAC 296-307-59810 Keep voluntary use program records.**

**Exemption:** If employees use only filtering-facepiece respirators voluntarily, you do not need to follow these recordkeeping requirements.

**You must:**

- Keep copies of:
  - Your current written respirator program
  - Written recommendations from the LHCP
- Allow records required by this section to be examined and copied by affected employees and their representatives.
