

WAC 16-160-210 Labels and logos. A person whose material is registered under this chapter may use the words "approved material under Washington state department of agriculture organic food program" and may use the logo specified in this section in the labeling of the material. Registered materials are not certified as organic by the department and are prohibited from making claims indicating products are "certified organic" or similar term. Materials that are not registered under this chapter are prohibited from using the statement or the logo in this section in the labeling of the material. In addition to the other limitations expressed in this chapter and chapter 15.86 RCW, registration does not imply the Washington department of agriculture endorses the use of the product, does not make any guarantee that the material performs as represented by the registrant, and does not guarantee acceptance for use in organic production by certifying agents other than the department.
