

WAC 16-350-040 Inspection and testing for certification of nursery planting stock. (1) The department will conduct all inspections, testing and indexing prescribed in this chapter in a manner and at times the department has determined to be suitable. The methods and procedures used for making the virus and virus-like disease determinations will conform to the standards of NRSP-5.

(2) The department will refuse certification of planting stock that has been propagated from registered trees found to be infected by a virus or virus-like disease, or if other requirements of this chapter have not been complied with.
