

**WAC 132J-150-020 Limitation of use to school activities.** The college buildings, properties, and facilities, including those assigned to student programs, may be used only for:

(1) The regularly established teaching, research, or public service activities of the college and its departments or related agencies.

(2) Cultural, educational, or recreational activities of the students or of the faculty or staff.

(3) Short courses, conferences, seminars, or similar events, conducted either in the public service or for the advancement of specific departmental professional interests, when arranged under the sponsorship of the college or its departments.

(4) Public events of a cultural or professional nature brought to the campus at the request of college departments or committees and presented with their active sponsorship and active participation.

(5) Activities or programs sponsored by educational institutions, by state or federal agencies, by charitable agencies or civic or community organizations whose activities are of widespread public service and of a character appropriate to the college.

(6) College facilities shall be assigned to student organizations for regular business meetings, social functions and for programs open to the public. Any recognized campus student organization may invite speakers from outside the college community. In conformance with state guidelines, the appearance of an invited speaker on campus does not represent an endorsement by the college, its students, faculty, administration or the board of trustees, whether implicit or explicit, of the speaker's views.

(7) Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to ensure the proper maintenance of the facilities. Subject to the same limitations, college facilities shall be made available for assignment to individuals or groups within the college community. Such arrangements by both organizations and individuals must be made through the designated administrative officer. Allocation of space shall be made in accordance with published college regulations and on the basis of time, space availability, priority of request and the demonstrated needs of the individual, group or organization.

(8) Use of space shall not interfere with regularly scheduled classes or activities. Physical abuse of assigned facilities may result in limitation of future allocation of space to the offending parties. Charges may be imposed for damage or for any unusual costs for the use of facilities. The individual, group or organization requesting space will be required to state in advance the general purpose of any meeting. If any charge or collection of funds is contemplated, advance permission from the party giving authority for space allocations will be required.
