- **WAC 173-230-300 Professional growth.** (1) A professional growth cycle is a three-year period beginning on January 1st and ending on December 31st.
- (a) Operators who become certified during a professional growth cycle will have the remainder of the current professional growth period and all of the next professional growth period to meet their professional growth requirement.
- (b) The professional growth cycle does not change when an existing certified operator upgrades to a higher certification level.
- (2) Certificate holders must demonstrate continued professional growth to maintain their certification and be eligible for certification renewal.
 - (a) The following are ways to demonstrate professional growth:
- (i) Accumulate a minimum of three CEUs or college credits in approved wastewater courses or training;
- (ii) Advance by exam to a higher certification level in Washington's wastewater treatment plant operator certification program.
- (b) Advancement from OIT to full certification does not meet the professional growth requirement.
- (c) Advancement by reciprocity does not meet the professional growth requirement.
- (3) Professional growth credit can only be received one time for the exact same course during a professional growth period.
- (4) A trainer will earn CEUs for administering training one time per professional growth period.
- (a) Trainers will earn the same number of CEUs as attendees if they administer the entire training session.
- (b) Trainers will earn CEUs for their portion of the training if they do not administer the entire training session and do not attend the entire session.
- (5) Excess CEUs cannot be carried over from one professional growth cycle to the next professional growth cycle.
- (6) Each certified operator must submit documentation to the department to demonstrate compliance with this section by the end of the professional growth cycle.
- (7) The department will notify certified operators who have not fulfilled the professional growth requirement.
- (8) If the professional growth requirement is not met, the operator may not renew their certificate. Failure to renew an operator certification for any reason will be administered per WAC 173-230-310.
