

WAC 192-270-060 Occupation in high demand outside labor market.

A training plan may be approved in an occupation not in demand in your local labor market if:

- (1) The occupation is in high demand in another labor market; and
- (2) You are willing and able to relocate to that labor market when the training is completed; and
- (3) There is not a current demand for workers with your present skills in that labor market. The demand for workers in that labor market must be at wages comparable to those paid in your current labor market, based on any differences in the cost of living between the two areas.
