- WAC 296-307-16127 TWH management plan. (1) The operator licensed under this chapter must develop and implement a written TWH management plan that must include:
 - (a) A safety plan that includes the following:
- (i) Emergency information, including site name and address, emergency contact phone numbers, location of local emergency services, and the department of health bilingual TWH complaint line;
- (ii) A plan for contacting a first-aid trained person or emergency services within a reasonable amount of time; and
- (iii) Those designated actions operators and occupants must take to ensure occupant safety from fire and other emergencies, including the following:
- (A) Emergency escape procedures and emergency escape route assignments;
- (B) Procedures to account for all occupants after emergency evacuation has been completed;
- (C) The preferred means of reporting fires and other emergencies; and
- (D) Names or regular job titles of those who can be contacted for further information or explanation of duties under the plan.
- (iv) Training. Designate and train a sufficient number of occupants to assist in the safe and orderly emergency evacuation of occupants; and
- (v) Maintenance. Regularly and properly maintain, according to established procedures, equipment and systems installed on heat producing equipment to prevent accidental ignition of combustible materials.
- (b) Camp residency rules that describe to the occupants expectations for maintaining a safe and orderly TWH.
 - (2) The operator shall make available:
- (a) A written copy of the TWH management plan, in English and the native language of the occupants, to the department of health or the department of labor and industries upon request; and
- (b) A written copy of the rules for review to occupants, in the occupant's native language, by:
- (i) Posting it in a central location accessible to the occupants; or
 - (ii) Providing individual copies to each occupant if requested.
