- WAC 296-806-45530 Handle dies safely. (1) You must make sure dies requiring mechanical handling have handling equipment attachment points.
- (2) You must use die stops or other means to prevent losing control of the die while setting or removing dies from presses that are inclined.
- (3) You must make sure the upper and lower shoes will securely mount the die to the bolster and slide.
- (4) You must use additional means of securing the upper shoe to the slide where clamp caps or set screws are used in conjunction with punch stems.
- (5) You must make sure spring-loaded turnover bars are provided for presses designed to accept them.
