- WAC 296-863-20010 Meet these requirements when modifying or altering PITs. (1) You must have written approval from the PIT manufacturer before making any modifications to the PIT that:
- (a) Change the relative position of the various parts of the PIT from what they were when originally received from the manufacturer;
 - (b) Add extra parts not provided by the PIT manufacturer;
 - (c) Eliminate any parts;
 - (d) Affect capacity or safe operation.

Exemption: This does not apply to converting PITs from gasoline to LPG fuel.

- (2) You must make sure any modifications or additions to the PIT are shown on the plates, tags, or decals to reflect any changes in the PITs:
 - (a) Capacity;
 - (b) Operation;
 - (c) Maintenance instructions.
