- **WAC 388-101D-0310 Medication assistance.** If the client is assessed as needing assistance with medication, the service provider may assist the client to take medications in any of the following ways:
- (1) Communicating the prescriber's order to the client in such a manner that the client self-administers his/her medication properly;
- (2) Reminding or coaching the client when it is time to take a medication;
  - (3) Opening the client's medication container;
  - (4) Handing the client the medication container;
  - (5) Placing the medication in the client's hand;
- (6) Transferring medication from one container to another for the purpose of an individual dose (e.g., pouring a liquid medication from the container to a calibrated spoon or medication cup or using adaptive devices);
  - (7) Altering a medication by crushing or mixing:
- (a) Only if the client is aware that the medication is being altered or added to food or beverage; and
- (b) A pharmacist or other qualified practitioner has determined it is safe to alter medication; and
- (c) It is documented on the prescription container or in the client's record.
- (8) Guiding or assisting the client to apply or instill skin, nose, eye and ear preparations. Hand-over-hand administration is not allowed; and
- (9) For group homes that have an assisted living facility or adult family home license, refer to chapter 388-78A or 388-76 WAC for additional tasks that may be allowed.
