- WAC 388-101D-0455 Mechanical and chemical restraints. (1) The service provider must protect each client's right to be free from mechanical and chemical restraints and involuntary seclusion.
- (2) The service provider must use the least restrictive alternatives needed to protect the client, others, or property.
- (3) If needed, mechanical restraints may only be used for needed medical or dental treatment and only under the direction of a licensed physician or dentist.
- (4) Restraints used as allowed by subsection (3) of this section must be justified and documented in the client's record.
