- WAC 388-891A-0530 What is involved in a trial work experience? (1) You and your DVR counselor develop a trial work plan outlining the specific questions to be answered by the trial work experience.
- (2) The plan developed by you and your DVR counselor will identify appropriate VR services and supports to accommodate your rehabilitation needs, such as supported employment, on-the-job training, assistive technology or personal assistant services.
- (3) DVR will exhaust all opportunities, consistent with your informed choice and rehabilitation needs, for providing trial work experiences through actual work experiences in integrated community environments.
- (4) You will participate in one or more trial work experiences that allow you to try different employment experiences.
- (5) Your trial work experience(s) will take place over a period of time that you and your DVR counselor agree to in your trial work plan.
