

WAC 480-70-476 Biomedical waste, inspections. (1) Any shipment of waste meeting the criteria for biomedical waste is subject to inspection by commission staff and by those state, county, and local government personnel charged with the enforcement of laws and ordinances relating to the transport of biomedical waste.

(2) All companies that transport biomedical waste must give authorized persons, as defined in subsection (1) of this section, a reasonable opportunity to inspect containers and motor vehicles, to review shipping papers, and to inspect other places incidental to the transportation of biomedical waste.
