

WAC 495A-121-010 Preamble. Bates Technical College is a two-year public institution of higher education. The college is maintained by the state of Washington for the provision of programs of instruction in higher education and related community services. Broadly stated, the purpose of the college is to provide opportunities for all who desire to pursue educational goals. Like any other institution having its own special purposes, the college must maintain conditions conducive to the effective performance of its functions. To implement this objective, it is necessary to ensure that an environment is created wherein all students may progress in accordance with their capability and intensity of interest. The responsibility to create and maintain such an environment is shared by all members of the college community.
