

WAC 504-49-520 What do I have to do if I purchase property that has an existing renewable energy system? If a person, business, or household purchases a property that has a renewable energy system certified in the renewable energy system incentive program, the new customer-owner must (at a minimum) notify the energy program of the transfer of ownership and provide an executed interconnection agreement with the utility serving the premises.

[Statutory Authority: RCW 28B.30.150. WSR 18-20-025, § 504-49-520, filed 9/24/18, effective 10/25/18.]
