- WAC 36-12-310 Event physician. (1) The event physician shall examine the boxers and referees as required by RCW 67.08.090 and provide a report to the inspector or department representative in writing that discloses the results of the examinations and recommendations.
- (2) Medical equipment to be utilized by an event physician for the preflight and post fight examinations of boxers and referees shall consist of, but not be limited to, a blood pressure cuff, stereoscope, ophthalmologic, penlight, reflex hammer, stethoscope, thermometer, and tongue depressor.
- (3) If the event physician determines that a boxer or referee should not participate in an event due to a condition found during the preflight examination, the event physician shall recommend to the department that the boxer or referee not participate in the event.
- (4) An event physician shall be at ringside during all the contests in an event and shall be prepared to provide medical assistance to a boxer if requested by the referee.
- (5) The promoter shall provide the event physician with a suitable place to perform the preflight and post fight physical examinations.
- (6) The event physician shall perform a post fight physical on each boxer immediately following an event and may recommend temporary suspension of the boxer's license due to injury incurred during a contest.
- (7) The event physician may inspect first-aid equipment used by seconds.
