

WAC 110-50-0110 What are the standards for use and reimbursement of receiving home care? The department or a child placing agency uses receiving homes to place a child in a licensed family foster home on a temporary, emergent, or interim basis to provide sufficient time for the development of a plan. This planning includes the involvement of the child, the child's parent(s), and the child's extended family whenever possible.

(1) A DCFS regional administrator must designate family foster homes which are to receive child placements twenty-four hours per day. These homes provide care for children on a temporary, emergent, or interim basis as regular or specialized receiving homes.

(2) If the regional administrator designates a receiving home to be available on a twenty-four-hour basis, the regional administrator must specify this designation in a written agreement with the foster parent. Regular foster homes may also agree to accept children on an emergent basis.
