

WAC 180-19-200 Computation of time. (1) "Days" means calendar day whenever used in this chapter, unless otherwise specified. The period of time for performing an act governed by this chapter is determined by excluding the first day and including the last day, unless the last day is an official state holiday, Saturday, or Sunday, in which event the period runs until the end of the next business day.

(2) If a specific due date is established under this chapter, and that date falls on a Saturday, Sunday, or official state holiday, such period is automatically extended to the end of the next business day.
