An individual may only harvest one mountain goat during his or her lifetime. However, these restrictions are waived for hunters who have previously harvested a mountain goat under an auction, raffle, or conflict reduction permit, as well as for applications for an auction, raffle, or conflict reduction permit.

(ii) **Conflict reduction special permit category:** Anyone may apply.

(c) It is unlawful for a person who kills a mountain goat in Washington to fail, within ten days after acquisition, to personally present the horns attached to the head for inspection at a department office or location designated by a departmental representative. After inspection, the head/horns of a mountain goat lawfully killed in Washington may be kept for personal use. A violation of this subsection is punishable under RCW 77.15.280 (1) (b).

(d) Applicants drawn for a permit may only purchase their license after successfully completing the WDFW mountain goat gender identification training (online or at a participating WDFW office).
