- WAC 230-15-365 Getting approval for player-supported jackpots.
- (1) Class F or house-banked licensees must not operate a player-supported jackpot (PSJ) before we approve it in writing.
- (2) To get a PSJ approved, licensees must make a written request, including, at least:
- (a) A detailed description of the card game associated with the PSJ; and
 - (b) All rules of play; and
- (c) All internal control procedures associated with the PSJ and accounting for funds and prizes; and
 - (d) The name of the prize fund custodian.
- (3) Licensees must get our written approval before making any changes to the PSJ.
