

WAC 246-809-700 Client disclosure information. Licensees must provide disclosure information to each client in accordance with chapter 18.225 RCW prior to implementation of a treatment plan. The disclosure information must be specific to the type of treatment service offered; in a language that can be easily understood by the client; and contain sufficient detail to enable the client to make an informed decision whether or not to accept treatment from the disclosing licensee.

Firms, agencies, or businesses having more than one licensee involved in a client's treatment, may provide disclosure information general to that agency. In these cases, the licensee would not be required to duplicate the information disclosed by the agency.

The disclosure information may be printed in a format of the licensee's choosing, but must include all required disclosure information per WAC 246-809-710.
