- WAC 260-52-045 The riding crop. (1) Only riding crops approved by the stewards and meeting the following specifications will be allowed:
 - (a) Maximum weight of 8 ounces;
 - (b) Maximum length (including flap) of 30 inches;
 - (c) Minimum diameter of the shaft of one-half inch; and
- (d) The contact area of the shaft must be smooth with no protrusions or raised surface.
- (2) The only additional feature that may be attached to the riding crop is a flap. If a flap is attached it must meet the following specifications:
- (a) Maximum length of the flap from the end of the shaft is one inch;
- (b) Maximum width of the flap is 1.6 inches, with a minimum width of 0.8 inch;
- (c) The flap, from the end of the shaft, may not contain any reinforcements or additions;
- (d) There may be no binding within 7 inches of the end of the flap;
- (e) The flap must be humane, cushioned with memory foam or other similar shock absorbing material, unaltered from the original manufacturer, and sewn down each side of the outer layer;
- (f) The flap must be dark in color and made of a material that does not harden over time; and
- (g) The requirement for the riding crop is waived for Class C race meets as defined in RCW 67.16.130.
- (3) The riding crop is subject to approval by the stewards and subject to inspection by any steward, commission racing official, official veterinarian, or investigator.
- (4) Although the use of a riding crop is not required, any jockey who uses a riding crop during a race may do so only in a manner consistent with exerting his/her best efforts. In all races where a jockey will ride without a riding crop, an announcement will be made over the public address system. No device designed to increase or retard the speed of a horse, other than an approved riding crop is permitted on the grounds of any racing association. Riding crops may not be used on 2-year-old horses before April 1 of each year.
 - (5) Prohibited uses of the riding crop include striking a horse:
- (a) On the head, flanks or on any other part of its body other than the shoulders or hind quarters except when necessary to control a horse;
- (b) During the post parade or after the finish of the race, except when necessary to control the horse;
 - (c) Excessively or brutally causing welts or breaks in the skin;
- (d) When the horse is clearly out of the race or has obtained its maximum placing;
- (e) Persistently even though the horse is showing no response under the riding crop; and
 - (f) Striking another rider or horse.
- (6) The riding crop should only be used for safety, correction, and encouragement. All riders should consider the following when using the riding crop:
- (a) When using the crop the rider should give the horse a chance to respond;
- (b) A chance to respond is defined as one or more of the following actions:

- (i) Pushing on their horse with a rein in each hand keeping the riding crop in the up or down position;
- (ii) Showing the horse the riding crop without making contact; and
 - (iii) Moving the riding crop from one hand to the other.
 - (c) Using the riding crop in rhythm with the horse's stride.
- (7) A rider may not strike a horse more than three times in succession without giving the horse a chance to respond as defined above.
- A violation of this subsection shall not be subject for the disqualification of a horse.
- (8) After the race or during training all horses are subject to inspection by a steward, official veterinarian, commission racing official, or investigator.
- (9) Any trainer, owner, or other licensee that instructs a jockey to use the riding crop in a manner not consistent with these rules may be subject to disciplinary action.
