- WAC 388-78A-2930 Communication system. (1) The assisted living facility must:
- (a) Provide residents and staff persons with the means to summon on-duty staff assistance from all resident-accessible areas including:
  - (i) Bathrooms and toilet rooms;
  - (ii) Resident living rooms and resident sleeping rooms; and
- (iii) Corridors, as well as common and outdoor areas accessible to residents.
- (b) Provide the resident with personal wireless communication devices, such as pendants or wristbands, when a communication device is not installed in the resident's sleeping room, and when wireless communications are used:
- (i) The system must be designed and installed consistent with industry standards and perform reliably throughout the facility; and
- (ii) The facility must have a policy and procedure describing the mitigating measures in the event of system disruption, including for maintenance and loss of power; and
- (c) Provide residents, families, and other visitors with a means to contact a staff person inside the building from outside the building after hours.
- (2) The assisted living facility must provide one or more nonpay telephones:
- (a) In each building located for ready access for staff persons; and
- (b) On the premises with reasonable access and privacy by residents.
- (3) The assisted living facility must equip each resident room with access to telephone service.
- (4) If an assisted living facility chooses to install an intercom system, the intercom system must be equipped with a mechanism that allows a resident to control:
- (a) Whether or not announcements are broadcast into the resident's room; and
- (b) Whether or not voices or conversations within the resident's room can be monitored or listened to by persons outside the resident's room.
  - (5) The facility must provide wireless internet access.
