(2) Districts shall submit to the superintendent of public instruction by the established due date an annual report in the electronic format provided by the superintendent of public instruction. The report must include the following:

(a) The amount of academic growth gained by students participating in the learning assistance program;

(b) The number of students who gain at least one year of academic growth;

(c) The specific practices, activities, and programs used by each school building that received learning assistance program funds; and

(d) The number of students served by the learning assistance program during the school year who were able to exit the program because student academic growth resulted in meeting the academic standard for grade level.

(3) The superintendent of public instruction will withhold the monthly learning assistance program apportionment payment to a school district, public charter school, or school operated pursuant to a state-tribe education compact if the school district, charter school, or compact school fails to submit its annual report for the prior school year to the superintendent of public instruction by the established due date.
