- WAC 480-07-500 General rate proceedings—Statement of policy. (1) Scope of this subpart. This subpart explains the special requirements for certain filings to change rates charged by electric, natural gas, pipeline, telecommunications, and water companies, low-level radioactive waste sites, solid waste collection companies, and commercial ferries, and marine pilotage services.
- (2) Inconsistencies with subpart A requirements. If there is any inconsistency between the requirements in subpart B of these rules and those in subpart A, the requirements in subpart B control.
- (3) **Purpose of special rules.** The special requirements in subpart B are designed to standardize presentations, clarify issues, and speed and simplify processing of general rate proceedings.
- (4) Failure to comply. The commission, pursuant to WAC 480-07-141, may reject, or require the company to revise, any filing to initiate a general rate proceeding that does not conform to the requirements of subpart B of these rules. The commission will provide a written statement of its reasons if it rejects a filing. The company may revise or refile a filing that remedies the noncompliance the commission has identified and otherwise fully complies with the rules consistent with the requirements in WAC 480-07-141(2), which governs the date on which the commission considers a filing to have been made.
- (5) **Less than statutory notice.** The commission may grant requests to alter tariffs on less than statutory notice for good cause shown, in accordance with RCW 80.28.060 or 81.28.050. A company that seeks to implement general rate proceeding tariff changes on less than statutory notice must include with its filing a complete explanation of the reasons that support such treatment.
