- (1) Relevance: The chair of the student/faculty disciplinary committee shall review all questions for relevance and shall explain on the record their reasons for excluding any question based on lack of relevance.
- (2) Relevance means that information elicited by the question makes facts in dispute more or less likely to be true.
- (3) Questions or evidence about a complainant's sexual predisposition or prior sexual behavior are not relevant and must be excluded, unless such question or evidence:
- (a) Is asked or offered to prove someone other than the respondent committed the alleged misconduct; or
- (b) Concerns specific incidents of prior sexual behavior between the complainant and the respondent, which are asked or offered on the issue of consent.
- (4) Cross-examination required: If a party or witness does not submit to cross-examination during the live hearing, the committee must not rely on any statement by that party or witness in reaching a determination of responsibility.
- (5) No negative inference: The committee may not make an inference regarding responsibility solely on a witness's or party's absence from the hearing or refusal to answer questions.
- (6) Privileged evidence: The committee shall not consider legally privileged information unless the holder has effectively waived the privilege. Privileged information includes, but is not limited to, information protected by the following:
