WAC 110-300-0350 Supervising children during water activities.

- (1) During water activities, an early learning provider must meet all supervision requirements of this section and WAC 110-300-0345.
  - (2) During water activities, an early learning provider must:
  - (a) Ensure a one-to-one (1:1) staff-to-child ratio for infants;
- (b) Hold or have continuous touch of infants, nonambulatory toddlers, and children with special needs as required; and
  - (c) Keep toddlers within arm's length.
- (3) An early learning provider must have written permission for water activities from each child's parent or guardian.
- (4) For water activities on or off the early learning program premises, where the water is more than twenty-four inches deep, an early learning provider must ensure:
  - (a) A certified lifequard is present and on duty; and
- (b) At least one additional staff member than would otherwise be required is present to help actively supervise if the children are preschool age or older.
- (5) An early learning provider must have life-saving equipment readily accessible during water activities if a pool is six feet or more in any direction and two feet or more in depth. Life-saving equipment may include a ring buoy and rope, a rescue tube, or a throwing line and a shepherd's hook that will not conduct electricity.
- (6) If an early learning provider takes children off-site to an area with an accessible body of water more than four inches deep (for example, a park with a lake or stream) but children are not engaging in a water activity, there must be:
- (a) At least one more staff person than required in the staff-to-child ratio; and
  - (b) At least one attending staff person must be able to swim.
