

WAC 132T-100-300 Interim measures. (1) Interim measures may be taken pending an investigation or adjudication if there is cause to believe that a student or student organization poses an imminent risk of harm to anyone in the college community; to property; or if the misconduct is so severe, persistent, or pervasive as to substantially disrupt or materially interfere with the college's operations and/or activities or with an individual's education/work activities. Interim measures may include counseling, extensions of time or other course related adjustments, modifications of class schedules, campus escort services, restrictions on contact between the parties, increased security and monitoring of certain areas of campus, restrictions on access to college-owned or operated property and/or events (notice of trespass), including classes, activities, and privileges, or any similar measures while the conduct process is pending.

(2) The student must adhere to the conditions of the interim restriction. If an interim restriction includes campus wide restricted access, the SCO may provide written permission for the student to enter campus for specific purposes such as meeting with the SCO or designee, faculty, staff, witnesses to prepare for an appeal, or to participate in the student conduct process.

(3) Notice of interim measure. The student will be provided written notice of the interim measure(s), stating:

(a) The time, date, place, and nature of the circumstances which created the need for interim measures.

(b) A description of any relevant evidence.

(c) The interim measure.

(d) The possible sanctions that could result from violation of the interim measure including arrest for criminal trespass if the student has been trespassed from campus.

(e) The student's right to either accept the interim measure or submit a written appeal of the interim measure within three business days to the conduct review officer (CRO). An appeal is waived if not submitted within the prescribed time. If the student appeals within the time frame, the interim measure shall remain in place during the appeal process. The CRO will provide written notification to the student of the decision to either maintain or discontinue the interim measure within five business days of receipt of the appeal.

(f) If the student has been trespassed from the campus, a notice against trespass shall be included that warns the student that their privilege to enter or remain on college premises has been withdrawn, that they shall be considered trespassing and subject to arrest for criminal trespass if they enter the college campus other than to meet with the SCO as arranged by an appointment, or to attend a disciplinary hearing. The interim measure shall not replace the regular discipline process which shall proceed as quickly as feasible considering the interim restriction.
