

WAC 194-22-110 Curtailment administration—Mandatory curtailment enforcement. The state will take whatever measures are available and appropriate at the time mandatory curtailment is instituted to ensure that consumers comply with the mandates of the plan.

Enforcement measures applicable to BPA's DSI customers may be assessed by the state based on billing data provided by BPA.

[Statutory Authority: RCW 43.21F.045. WSR 94-20-103, § 194-22-110, filed 10/4/94, effective 11/4/94.]
