

WAC 194-40-300 Documentation concerning coal-fired resources.

(1) Each utility must publish by June 1, 2027, and each year thereafter, an attestation by a properly authorized representative of the utility certifying that the utility's allocation of electricity for Washington retail electric load in the prior calendar year did not include any electricity generated at a coal-fired resource. The utility must provide additional documentation as the auditor may require.

(2) A transaction to purchase electricity, where the source is unknown at the time of purchase, for a term not to exceed thirty-one days, is not a coal-fired resource for the purposes of this rule.

(3) A utility must not engage in a series or combination of short-term transactions for unspecified electricity for the purpose of avoiding the restrictions on use of coal-fired resources under RCW 19.405.030(1).
