

WAC 246-853-090 Prior approval not required. (1) It will not be necessary for a physician to inquire into the prior approval of any continuing medical education. The board will accept any continuing professional education that reasonably falls within these regulations and relies upon each individual physician's integrity in complying with this requirement.

(2) Continuing professional education program sponsors need not apply for nor expect to receive prior board approval for continuing professional education programs. The continuing professional education category will depend solely upon the status of the organization or institution. The number of creditable hours may be determined by counting the contact hours of instruction and rounding to the nearest quarter hour. The board relies upon the integrity of program sponsors to present continuing professional education that constitutes a meritorious learning experience.
