(3) **Organization of records.** The office will maintain its records in a reasonably organized manner. The office will take reasonable actions to protect records from damage and disorganization. A requestor shall not take records from the office without the permission of the public records officer or designee. A variety of records is available on the office's website at [www.rco.wa.gov](http://www.rco.wa.gov). Requestors are encouraged to view the documents available on the website prior to submitting a records request.

**(4) Making a request for public records.**

(a) Any person wishing to inspect or copy public records of the office should make the request in writing on the office's request form, or by letter, fax, or email addressed to the public records officer and include the following information:

- Name of requestor;
- Address of requestor;
- Other contact information, including telephone number and any email address;
- Identification of the public records adequate for the public records officer or designee to locate the records; and
- The date and time of day of the request.

(b) If the requestor wishes to have copies of the records made instead of simply inspecting them, he or she should so indicate and make arrangements to pay for copies of the records or a deposit.

(c) A form is available for use by requestors at the office of the public records officer and online at [www.rco.wa.gov](http://www.rco.wa.gov).

(d) The public records officer or designee may accept requests for public records that contain the above information by telephone or in person. If the public records officer or designee accepts such a request, he or she will confirm receipt of the information and the substance of the request in writing.

**(5) A public records request must be for identifiable records.** A request for all or substantially all records prepared, owned, used, or retained by an agency is not a valid request for identifiable records under this chapter, provided that a request for all records regarding a particular topic or containing a particular keyword or name shall not be considered a request for all of an agency's records.

**(6) An agency may deny a bot request** that is one of multiple requests from the requestor to the agency within a twenty-four hour period, if the agency establishes that responding to the multiple requests would cause excessive interference with other essential functions of the office. For purposes of this subsection, "bot request" means a request for public records that an office reasonably believes was automatically generated by a computer program or script.
