- WAC 296-05-439 Failure to meet goals and timetables. (1) If a sponsor, despite its good faith efforts, fails to meet its goals and timetables within a reasonable period of time, the sponsor may be required to make appropriate changes in its affirmative action program in order to obtain maximum effectiveness toward the attainment of its goals.
- (2) If the WSATC determines the failure of a sponsor to meet its goals and timetables is substantially a result of the enrollment selection method adopted, the sponsor may be required to develop and adopt a WSATC prescribed selection method.
- (3) If a sponsor's failure to meet its goals is substantially a result of the qualification standard it used to select minorities and/or women, the sponsor may be required to show that the qualification standards directly relate to job performance. Specifically, the sponsor will be expected to demonstrate a significant statistical relationship between the qualification standards used and the required job performance. This statistical relationship must be based upon the procedures discussed in 41 C.F.R. Part 60-3 (Guidelines on employee selection procedures).
