## WAC 296-800-240 Summary. Your responsibility:

You must eliminate exposure to environmental tobacco smoke in your office work environment.

		You must meet the requirements	in this section:		
		Prohibit tobacco smoke in your office work environment	WAC 296-800-24005		
Note:	This rule does not preempt any federal, state, municipal, or other local authority's regulation of indoor smoking that is more protective than this section.				
Definition:	<ul> <li>Office work environment is an indoor or enclosed occupied space where clerical work, administration, or business is carried out. In addition, it includes:</li> <li>Other workplace spaces controlled by the employer and used by office workers, such as cafeterias, meeting rooms, and washrooms.</li> <li>Office areas of manufacturing and production facilities, not including process areas.</li> <li>Office areas of businesses such as food and beverage establishments, agricultural operations, construction, commercial trade, services, etc.</li> </ul>				
Link:	Link: For work environments outside the office, contact your local health department using the link https://www.doh.wa.gov/YouandYourFamily/ Tobacco/LawsRegulations or by calling them directly.
