

WAC 392-127-090 School district reporting—Optional report—Enrollment changes. A school district may request that the superintendent of public instruction use a different full-time equivalent enrollment to compute staffing ratios than that reported for October. The school district shall request the use of a different enrollment period prior to completion of audit of data by the state auditor. The school district may select the full-time equivalent enrollment for any one month during the current school year when all basic education instructional programs are operating.
