

WAC 392-138-105 Fees optional noncredit extracurricular events.

The board of directors of any common school district may establish and collect a fee from students and nonstudents as a condition to their attendance at any optional noncredit extracurricular event of the district which is of a cultural, social, recreational, or athletic nature: Provided, That in so establishing such fee or fees, the district shall adopt policies for waiving and reducing such fees in the cases of those students whose families, by reason of their low income, would have difficulty in paying the entire amount of such fees and may likewise waive or reduce such fees for nonstudents of the age of sixty-five or over who, by reason of their low income, would have difficulty in paying the entire amount of such fees. An optional comprehensive fee may be established and collected for any combination or all of such events or, in the alternative, a fee may be established and collected as a condition to attendance at any single event. The board of directors shall adopt policies which state that:

(1) Attendance and the fee are optional; and

(2) The district will waive and reduce fees for students whose families, by reason of their low income, would have difficulty in paying the entire amount of such fees.

Fees collected pursuant to this section shall be designated as associated student body public moneys and shall be deposited in the associated student body program fund of the school district. Such funds may be expended to defray the costs of optional noncredit extracurricular events of such a cultural, social, recreational, or athletic nature, or to otherwise support the public activities and programs of associated student bodies.
