

WAC 415-112-471 Is compensation reported for legislative leave?

If you take a leave without pay to serve in the legislature, you are entitled to service and earnable compensation credit according to this section.

(1) **Plan 1.** The salary you would have earned in the position from which you took leave of absence is earnable compensation if you serve at least five years in the legislature. Employer contributions are not required on this imputed payment. Employee contributions are required.

(2) **Plans 2 and 3.** You may choose between:

(a) The earnable compensation you would have earned had you not served in the legislature; or

(b) The actual earnable compensation received for service plus the legislative earnable compensation.

If you select option (a), you are responsible for paying the additional employer and employee contributions to the extent the earnable compensation reported is higher than it would have been under (b) of this subsection.
