WAC 495D-121-600 Student conduct code—Disciplinary sanctions. (1) The following primary disciplinary sanctions may be imposed upon students found to have violated the student conduct code.

(a) **Disciplinary warning.** A verbal statement to a student that there is a violation and that continued violation may be cause for further disciplinary action.

(b) Written reprimand. Notice in writing that the student has violated one or more terms of this code of conduct and that continuation of the same or similar behavior may result in more severe disciplinary action.

(c) **Disciplinary probation**. Formal action placing specific conditions and restrictions upon the student's continued attendance depending upon the seriousness of the violation and which may include a deferred disciplinary sanction. If the student subject to a deferred disciplinary sanction is found in violation of any college rule during the time of disciplinary probation, the deferred disciplinary sanction, which may include, but is not limited to, a suspension or a dismissal from the college, shall take effect immediately without further review. Any such sanction shall be in addition to any sanction or conditions arising from the new violation. Probation may be for a limited period of time or may be for the duration of the student's attendance at the college.

(d) **Disciplinary suspension**. Dismissal from the college and from the student status for a stated period of time. There will be no refund of tuition or fees for the quarter in which the action is taken. The student is not guaranteed readmission at the end of such period of time, but is guaranteed a review of the case and a decision regarding eligibility for readmission.

(e) **Dismissal.** The revocation of all rights and privileges of membership in the college community and exclusion from the campus and college-owned or controlled facilities without any possibility of return. There will be no refund of tuition or fees for the quarter in which the action is taken.

(2) Disciplinary terms and conditions that may be imposed in conjunction with the imposition of a disciplinary sanction include, but are not limited to, the following:

(a) **Restitution**. Reimbursement for damage to or misappropriation of property, or for injury to persons, or for reasonable costs incurred by the college in pursuing an investigation or disciplinary proceeding. This may take the form of monetary reimbursement, appropriate service, or other compensation.

(b) **Professional evaluation.** Referral for drug, alcohol, psychological, or medical evaluation by an appropriately certified or licensed professional may be required. The student may choose the professional within the scope of practice and with the professional credentials as defined by the college. The student will sign all necessary releases to allow the college access to any such evaluation. The student's return to college may be conditioned upon compliance with recommendations set forth in such a professional evaluation including, but not limited to, drug and alcohol education, anger management coursework, or ongoing treatment. If the evaluation indicates that the student will remain suspended until future evaluation recommends that the student is capable of reentering the college and complying with the rules of conduct.

(c) Not in good standing. A student may be deemed "not in good standing" with the college. If so the student shall be subject to the following restrictions:

(i) Ineligible to hold an office in any student organization recognized by the college or to hold any elected or appointed office of the college.

(ii) Ineligible to represent the college to anyone outside the college community in any way, including representing the college at any official function, or any forms of intercollegiate competition or representation.

(d) No contact orders and other summary relief. The college may require a student to refrain from any form of contact with another student or college employee. Other forms or relief include, but are not limited to: Switching to alternate sections of individual classes or programs, delaying admission to an instructional program, assigned seating during a class, or behavioral contracts.

(3) **Secondary sanctions.** No order of severity is established for secondary sanctions:

(a) **Community/college service.** A student may be offered an opportunity to complete a specified number of hours of community/college service in lieu of other sanctions. The type of community/college service must be approved by the hearing officer.

(b) Educational requirements. A provision to complete a specific educational requirement directly related to the violation committed. The provision will be clearly defined. Such educational requirements may include, but are not limited to, completion of an alcohol education workshop, a diversity awareness workshop, an anger management class, essays, or reports.

(c) **Restrictions.** The withdrawal of specified privileges for a definite period of time, but without the additional stipulations contained in the imposition of conduct probation. The restrictions involved will be clearly defined.

(d) Loss of parking privileges on campus. Revocation of parking privileges.
