- WAC 173-230-310 Renewal requirements. (1) To be eligible for certificate renewal a certified operator must:
- (a) Provide documentation of their continued professional growth as described in WAC 173-230-300.
 - (b) Pay a renewal fee as described in WAC 173-230-240.
- (2) The department will notify certified operators of their eligibility and/or fee for renewal.
- (3) Renewal fees mailed to the department must be postmarked by December 31st.
- (4) If the renewal fee is not paid, the department will send a notice of suspension to the certified operator that their certificate is suspended for up to sixty calendar days.
 - (a) Renewal fees not paid by January 21st, may incur a late fee.
- (b) Upon processing the renewal payment, the certificate is no longer suspended and becomes valid.
- (5) If the renewal fee is not paid during the suspension period, the department will send a notice of revocation to the certified operator's last known employer and the certified operator at their last known address.
- (a) The notice of revocation will be sent by certified mail to the certified operator.
- (b) If the certificate is not renewed, the certificate will be revoked ten business days after the revocation notice is sent.

[Statutory Authority: Chapter 70.95B RCW. WSR 19-15-025 (Order 18-02), § 173-230-310, filed 7/10/19, effective 8/10/19.]
