WAC 173-555-060 Streams and lakes closed to further consumptive appropriations. The department, having determined there are no waters available for further appropriation through the establishment of rights to use water consumptively, closes the following streams to further consumptive appropriation except for domestic and normal stockwatering purposes excluding feedlot operation:

| SURFACE WATER CLOSURES               |   |                    |                      |
|--------------------------------------|---|--------------------|----------------------|
| Stream*<br>Name                      | Affected<br>Reach                         | Date of<br>Closure | Period of<br>Closure |
| Dry Creek                            | Mouth to headwaters                       | 5-26-1952          | 1 June-31 Oct.       |
| Otter Creek                          | Mouth to headwaters                       | 2-23-1971          | "                    |
| Bear Creek                           | Mouth to headwaters                       | 4-13-1953          | "                    |
| Deer Creek                           | Mouth to headwaters                       | 2-29-1968          | "                    |
| Dragoon Creek                        | Mouth to headwaters                       | 7-02-1951          | "                    |
| Deep Creek                           | Mouth to headwaters                       | 6-14-1961          | "                    |
| Deadman<br>Creek <sup>1/</sup>       | Mouth to headwaters                       | 11-28-1961         | "                    |
| Little Creek                         | Mouth to headwaters                       | 4-13-1953          | "                    |
| W. Branch<br>Little Spokane<br>River | Outlet of<br>Eloika Lake<br>to headwaters | Date of adoption   | "                    |
| All natural lakes in the basin       |   | "                  | "                    |

<sup>\*</sup> Includes all tributaries in the contributing drainage area unless specifically excluded.

[Order DE 75-24, \$173-555-060, filed 1/6/76.]

An unnamed tributary flowing through Sec. 20, T26N., R.44E. is exempted from closure.
