- WAC 192-190-105 How do I report self-employment income? (1) Report self-employment when earned, not when paid.
- (2) Report self-employment income as a net figure, after your reasonable business expenses are deducted from your gross income.
- (3) If you are not sure what these amounts are, consult your accountant, tax advisor or other financial professional.
- (4) You may be required to provide records of your income and expenses.
- (5) If you fail to provide records of your income and expenses when requested, the department will presume you earned too much in your self-employment to qualify for benefits for the period for which records were requested.
