

WAC 246-560-050 Criteria for inviting applications. (1) The project addresses at least one of the goals of the health systems re-sources program, as described in WAC 246-560-001.

(2) The project addresses needed improvements in the delivery of basic health care services, including preventive services.

(3) The project reflects a cooperative approach, which may involve several organizations, categories of health care providers, or communities.

(4) The project can serve as a model for other communities.

(5) The project reflects priorities established for a particular funding cycle as set forth in the application materials.

(6) The project addresses access to basic health care services in an area where access is severely limited or inadequate; and

(7) If recruitment and retention of providers is identified as an outcome the application demonstrates:

(a) Recruitment and retention problems have been chronic; or

(b) The community is in need of primary care practitioners; or

(c) The community has unmet health care needs for specific target populations; and

(d) There is a fifty percent local funding match.
