- WAC 260-20-017 Test barn. (1) All racing associations must provide a test barn for taking specimens for testing. The test barn must be equipped with:
 - (a) A walk ring that is large enough to accommodate four horses;
- (b) An approved amount of enclosed stalls that permit observation of the collection process and provide for the protection of collection personnel;
- (c) Facilities for the collection, identification and storage of samples;
- (d) A wash-rack that is large enough to accommodate an adequate number of horses at the same time;
- (e) Hot and cold running water at Class A and B racing associations
- (2) A racing association will limit access to the test barn to persons authorized by the official veterinarian.
