

WAC 284-36A-035 Confidentiality of RBS reports—Use of information for comparative purposes—Use of information to monitor solvency.

(1) All RBS reports, to the extent the information is not required to be set forth in a publicly available annual statement schedule, including the results or report of any examination or analysis of a fraternal benefit society that are filed with the commissioner constitute information that might be damaging to the fraternal benefit society if made available to its competitors, and therefore shall be kept confidential by the commissioner. This information shall not be made public or be subject to subpoena, other than by the commissioner and then only for the purpose of enforcement actions taken by the commissioner.

(2) The comparison of a fraternal benefit society's total adjusted surplus to its RBS level is a regulatory tool that may indicate the need for possible corrective action with respect to the fraternal benefit society, and is not a means to rank fraternal benefit societies generally. Therefore, except as otherwise required under the provisions of this chapter, the making, publishing, disseminating, circulating, or placing before the public, or causing, directly or indirectly to be made, published, disseminated, circulated, or placed before the public, in a newspaper, magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio or television station, or in any other way, an advertisement, announcement, or statement containing an assertion, representation, or statement with regard to the RBS level of any fraternal benefit society, or of any component derived in the calculation, by any fraternal benefit society, insurance producer, or other person engaged in any manner in the insurance business would be misleading and is therefore prohibited. However, if any materially false statement with respect to the comparison regarding a fraternal benefit society's total adjusted surplus to its RBS level or an inappropriate comparison of any other amount to the fraternal benefit society's RBS level is published in any written publication and the fraternal benefit society is able to demonstrate to the commissioner with substantial proof the falsity of such statement, or the inappropriateness, as the case may be, then the fraternal benefit society may publish an announcement in a written publication if the sole purpose of the announcement is to rebut the materially false statement.

(3) The RBS instructions and RBS reports are solely for use by the commissioner in monitoring the solvency of fraternal benefit societies and the need for possible corrective action with respect to fraternal benefit societies and shall not be used by the commissioner for ratemaking nor considered or introduced as evidence in any rate proceeding nor used by the commissioner to calculate or derive any elements of an appropriate premium level or rate of return for any line of insurance that a fraternal benefit society or any affiliate is authorized to write.
