WAC 296-307-039 First-aid rule summary. Employer's responsibility: Make sure first-aid trained personnel are available to provide quick and effective first aid.

The employer must meet the requirements	in this section:
Make sure that first-aid trained personnel are available to provide quick and effective first aid.	WAC 296-307-03905
Make sure appropriate first-aid supplies are readily available.	WAC 296-307-03920

1. Employers who require their employees to provide first aid must comply with the bloodborne pathogen rule, chapter 296-823 WAC . Notes:

2. Additional requirements relating to first aid are also located in the following sections:

- a. WAC 296-307-07013(12), Rules that apply to vehicles used to transport employees. b. WAC 296-307-16175, First-aid and safety.
- c. WAC 296-307-16380, First-aid requirements for operators of cherry harvest camps.

Definitions: First aid:

The extent of treatment the employer would expect from a person trained in basic first aid, using supplies from a first-aid kit.

Medical treatment and care given at the scene of any medical emergency or while transporting any victim to a medical **Emergency medical service:** facility.

The employer can get copies of these rules by calling $1-800-4_{\text{BE}}$ safe (1-800-423-7233), or by going to http://www.lni.wa.gov.
