- Content of WISHA written access orders. WAC 296-802-50010 written access order from WISHA will contain at least the following information:
- (1) The identity of employees whose medical information is being requested. This may be either by name, job classification, time clock number, department, or similar identifier.
- (2) A description of the medical information that will be examined.
- (3) The purpose for seeking access to this medical information, and any additional evidence supporting access to the medical informa-
- (4) A step-by-step description of how the records will be obtained, copied, reviewed, and stored, specifying the following:
- (a) Who will be in charge of on-site review of the records, or who will take possession of the records for off-site review.
 - (b) Where the records will be reviewed.
 - (c) When review or receipt of the records is to take place.
- (d) If the records are to be reviewed on-site, what type of information will be copied and removed off-site.
- (5) How personal identifiers will be separated from the medical information and how long this information will be kept.
- (6) The principal WISHA investigator's full name, business address and telephone number.
- (7) The full names and titles of all individuals that will review the records.
- The WISHA industrial hygiene program manager's full name, business address and telephone number.

- WISHA does not need a written access order for the following types of employee medical records:
- Medical records and analyses that do not contain personal identification information.
- Examination of records to verify compliance with the medical surveillance requirements of another occupational health and safety rule.
 The following records when required by another occupational health and safety rule:
- Medical opinions.
- Biological monitoring results.
- Results of medical examinations and laboratory tests.
